# Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

Enclosure.

20th November, 1934.

Dear Sirs,

I duly received your letter of the 14th instant, with enclosed plan of pumping arrangement for the new deep tank in No.3 Hold of the s.s. "ARANDORA STAR", and I have to inform you that this plan will be approved, provided the arrangements be as shown and amended thereon and the remaining requirements of Section 20 of the Rules (1934-5) be complied with so far as they are applicable, and all the work be carried out to your satisfaction.

I have to point out that if the valve chests are not fitted direct to the oil fuel deep tanks, the short connecting pipes should be of steel of specially heavy construction.

I return herewith the plan in question.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,  
SOUTHAMPTON.
