ENCLOSURE.

13th April, 1922.

Dear Sirs,

M. With reference to Mr. Peskett's call at this Office on the 5th instant, respecting the case of the S.S. "AQUITANIA", I have the pleasure to inform you that information has now been received from the Board of Trade that no objection will be raised to the maximum draught of this vessel being increased to 36'-2" for all seasons.

I therefore enclose a copy of a memorandum setting forth the amended freeboards which have now been assigned to this vessel, and shall be glad if you will be so good as to let me know when and at what port it will be convenient for the Society's Surveyors to verify the new markings, with a view to the issue of fresh freeboard certificates.

I am, Dear Sirs,

Yours faithfully,

Secretary.
