Dear Sir,

With reference to the classification in this Society's Register Book of the motorship "BELLAPAMELA," which, you are doubtless aware, was sunk in the North Atlantic on the 11th ultimo by her cargo of trains rolling and bursting out the ship's side, I have to acquaint you that according to the shipping papers, an enquiry into the sinking was to be held at the Norwegian Consulate in New York on the 21st ultimo.

The Committee of this Society are very interested in this case, and, in the circumstances I shall be glad if you will kindly endeavour to obtain a copy of the findings, and forward it to this Office by air mail as soon as it is available.

Yours faithfully,

pro Secretary.

The Principal Surveyor,
NEW YORK.
