Dear Sir,

**"VICEROY OF INDIA" - P. & O. LINER.**

With reference to your call on us recently regarding N.P.L. Certificates relating to high tension cambric insulated Cables supplied to Messrs. Alexander Stephen & Sons Ltd. for the above, as promised we raised this matter with our Principals, Messrs. Siemens Brothers & Co., Ltd., and are advised that they have already forwarded to Lloyd's Register in London copies of the N.P.L. Tests on these cables, and in view of this it does not appear necessary for a further lot of these certificates to be prepared.

We are, Dear Sir,

Yours faithfully,

(SIEMENS ELECTRIC LAMPS & SUPPLIES LTD.)

(Sgd)

A. STEELE.
