Dear Mr. Cowie,

I was duly favoured with your letter of the 30th ultimo enclosing a copy of one received by Messrs. Vickers-Armstrongs, Ltd., from their Foreman, who was loaned to The Sperry Co. to supervise the installing of the Gyro-Stabilisers constructed at Barrow for the new Liner "CONTE DI SAVOIA", and I need hardly say that the remarks contained therein have been noted with interest.

With many thanks for your attention in the matter,

Yours faithfully,

W. Cowie, Esq.,

BARROW.
