TRIESTE.

Dear Sirs,

With reference to your letter of 13th May, enclosing translation of order No. 4002/4, placed by the Stabilimento Tecnico Triestino with The Wallsend Slipway & Eng. Co. Ltd., for Boiler Plates intended for their Vessel No. 783, Turbines No. 119/130, we beg to advise you that the plates and the three furnaces for this order have now been examined at The Wallsend Slipway Co's Works prior to shipment to your Port.

The flanging and general workmanship so far as could be seen are satisfactory, and the three manhole doors a fit.

The plate and furnace invoices are enclosed herewith.

Yours faithfully,  
THE SURVEYORS,  
per

*E. J. Stoddart*
