19th October, 1961

Dear Sir,

T.S.M.S. "ORIENTAL QUEEN"

It will be noted from the attached copy of a letter received from the Owners of the above vessel, that they wish to have the vessel's surveys placed once again on a progressive basis. They have stated that the vessel's charter commitments are such that their original intention to carry out a Complete Special Survey in March, 1962 is not now possible. In this connection, examination and testing of tanks, etc., all as indicated on Interim Certificate No. 3815 copy of which is enclosed, were carried out at the request of the Owners. If their proposal is approved, the Owners would be pleased to have a note of those items presented for survey each year under the Progressive basis as no records of same were available on board the ship.

Yours faithfully,

J. R. Wilson.
