Steamer "AWATEA".

Messrs. Vickers-Armstrongs, Ltd. No.707 vessel.

The Barrow Surveyors have been advised that the fees and expenses to be charged to the shipbuilders for the survey of the electrical installation of the above vessel are as follows:-

Rule fee.....£	84.12. 0	
Expenses.....	13.11. 0	(from Liverpool)
Survey of Turbines....	25. 4. 0	(London) <i>due to London 9/11</i>
Expenses.....	16.17. 5	(do)

The survey of this installation has been carried out by Mr. Clayton from Liverpool, and the Barrow Surveyors desire to be informed of the allocation of the fee of £84.12.0.

In the cases of the "ORION" and "STRATHMORE" built by the same firm the electrical installation was surveyed by Mr. Clayton, but only the expenses incurred were credited to the Liverpool Office. For the survey of the electrical installation of vessels now building at Belfast, in which the local Surveyors are joined by Mr. Clayton, one-half of the electrical installation fee is being credited to the Liverpool Office.
