

# Lloyd's Register of Shipping,

Collingwood Buildings, Newcastle-on-Tyne, 1.

23rd November 1937.

Reference

Dear Sir,

With reference to the Barrow Surveyors' letter of the 30th June last addressed to you regarding the replace Gearing for the Tw. s.s. "AWATEA", we beg to inform you that the teeth of the Main Gear Wheel have now been cut and the Wheel fitted to the Shaft by The Parsons Marine Steam Turbine Co. Ltd., examined and found satisfactory.

The Shaft and Wheel, which have been forwarded to London for shipment to Cockatoo Island, Sydney, N.S.W., are stamped as follows :-

Shaft.

LLOYD'S  
No. 665  
15-9-37  
J.M.

Wheel Shrouds.

FORWARD 77357 J.M.  
AFT 77358 J.M.

We are, Dear Sir,

Yours faithfully,

THE SURVEYORS,  
per

*M. Forster*

The Secretary,

LONDON.
