Enclosures

1st May, 1937.

Dear Sir,

M.

I have to acknowledge the receipt of your letter of the 22nd ultimo respecting Messrs. Blythwood Shipbuilding Co.'s Yard No. 52, and to acquaint you that the contents have been noted.

In reply thereto I think it well to enclose, for the information and guidance of the Surveyors, a copy of the plan of stern frame approved in this Office for the sister ship Messrs. Furness Shipbuilding Co.'s No. 283. It will be observed that generally the arrangements shewn on the plan forwarded by you conform to the amended requirements, excepting for the alterations to the part above the counter, which since approval of the plan, has been arranged with the Builders. The plan has also been discussed in this Office with the Owners' Representatives.

The plans forwarded by you for reference are returned herewith.

I am, Dear Sir,

Yours faithfully,

Secretary.

The Secretary,

GLASGOW.
