1 plan enclosed.

18th September, 1937.

Dear Sirs,

Yard No.52 - Plan of Bulkhead 19.

I return herewith the above plan submitted with your letter of the 9th instant and with regard thereto I have to inform you that the scantlings and arrangements as shown and amended thereon will be approved, provided they be carried out to the satisfaction of the Society's Surveyors.

I have also to inform you that the plan has been amended to show a strong beam at the main deck level at frame 19. This arrangement is considered desirable in order to form an efficient ending for the main deck, but if it is not practicable to arrange a strong beam in the position shown, the Society will be pleased to consider any alternative equivalent arrangement which you may care to submit.

The remaining copies of the plan have been retained in this Office for record.

I am, Dear Sirs,
Yours faithfully,

Messrs. Blythwood S.E. Co., Ltd.,

Local Secretary.

SCOTSDOWN.
