27th September, 1938.

Dear Sirs,

Messrs. Blythwood Shipbuilding Co.
Yard No. 52.

E.

I duly received your letter of the 16th instant, forwarding plans Nos.1914/5/6/7, in duplicate, of electrical equipment proposed in connection with the above vessel, and I have to inform you that these plans will be approved provided the installation be as shown thereon, and to the satisfaction of this Society's Surveyors, and the Special Requirements of Section 15 together with the remaining requirements of the Society's Rules for Electrical Equipment be complied with.

I may add it is concluded that the capacity of the generators and the size of the shore connection cable will be forwarded for consideration.

One set of the plans now approved is returned herewith, and I shall be obliged if you will kindly furnish me with a further set of these plans for the guidance of the Society's Surveyors in dealing with the case.

I am, Dear Sirs,
Yours faithfully,

Messrs.Troup, Curtis & Co.Ltd.,
