Dear Sir,

Messrs. Blythwood Shipbuilding Co. Ltd.
Yard No. 52.

With reference to the Electrical Installation for the above vessel, as mentioned to Mr. Watson slight alterations have been made to the wiring diagram of this ship. Several lighting points have been altered and an extra circuit added for two cargo connections on the aft pump house. Particulars of the Generators and Generator Mains have been marked on this drawing.

As requested we are sending herewith an extra set of drawings together with new wiring diagram for your approval. The wiring diagram is in triplicate.

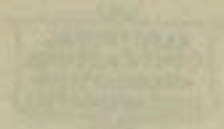

We are, dear Sir,
Yours faithfully,
