Collingwood Buildings, Newcastle-on-Tyne, 1.
4th May, 1948.

The Secretary,
London.

Reference

Dear Sir,

M.V. "AURIS".
R. & W. Hawthorn Leslie & Co. Ltd. Yard No.686.
Electrical Propulsion Equipment.

We attach hereto Newcastle Report No. 105205 "Report on Electric Propelling Machinery". Alterations and adjustments have been made to the Electric propelling machinery circuits since the plans for same were submitted and approved. "As fitted" plans have not yet been submitted for consideration of the Committee in accordance with Secretary's letter to Messrs. British Thomson-Houston Co. Rugby, dated 22nd April, 1948.

We are, Dear Sir,
Yours faithfully,
THE SURVEYORS.

Copy to :- Mr. G.O. Watson,
London.
