Dear Sirs,

M.S. "AURIS"

It is concluded that this ship is still laid up in the River Blackwater but your confirmation will be appreciated.

I take this opportunity to remind you that the Auxiliary Boiler Survey became due at the end of April and the new Auxiliary WT Boiler Survey became due at the end of last month. The ship was last seen in drydock by the Society's Surveyors in March 1960.

Yours faithfully,

Clerk to the
Classification Committee.
