Dear Sir,

g.t.s. "AURIS"

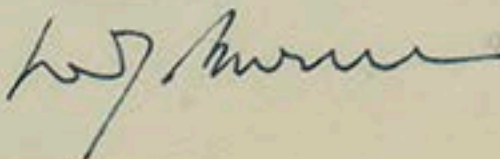

The above-named vessel is at present laid-up in the Tyne and it is our intention to sail the vessel under her own power to a more permanent lay-up anchorage in the River Blackwater.

On the 13th April, 1960 an interim certificate covering the Boiler Survey was issued subject to "vessel laid-up pending fabrication and fitting of redesigned diffuser plate" and we would be very much obliged if you would kindly grant the necessary authority for the vessel to proceed to the Blackwater without any work being carried out in connection with this subject.

Thanking you in anticipation of a favourable reply, we are,

Yours faithfully,

For: SHELL TANKERS LIMITED
