Dear Sirs,

Basrah, 26th October, 1955.

PONTOONS "S.Q. 9" & "S.Q. 10"

We are in receipt of your letter of 15th September, 1955. respecting the above craft and the Owners have now informed us that the contemplated service limits of the craft are as follows:-

From a position lat $24^{\circ} 45' N.$
long $52^{\circ} 00' E.$

- 1) In a 270° direction to the 3 miles limit.
- 2) In an approximate 050° direction to lat $25^{\circ} 00' N.$
long $52^{\circ} 20' E.$

From the latter in an approximate 032° direction to lat $25^{\circ} 42' N.$
long $52^{\circ} 50' E.$

From the latter to a position in lat $27^{\circ} 00' N.$
long $51^{\circ} 20' E.$

Thence to a position approximately equal to that of Ahrair Light Vessel, thence in a southerly direction to include Ahrair where the pontoons will proceed when required for shipping purposes.

The Owners state that should any charge of plan occur in the future they will keep us informed.

We trust this information will meet your requirements

We are,

Yours faithfully,

G. J. Talbot.

The Surveyors.

The Secretary,
LONDON.

Basrah, 28th October, 1955.

Dear Sirs,
(2)

PONTONS "S.D. 9" & "S.D. 10"

We are in receipt of your letter of 15th September, 1955, respecting the above craft and the Owners have now informed that the contemplated service limits of the craft are as follows:-

- From position lat 24° 45' N. long 52° 00' E.
- In a 270° direction to the 3 mile limit.
- In an approximate 050° direction to lat 25° 00' N. long 52° 30' E.
- From the latter in an approximate 032° direction to lat 25° 45' N. long 52° 50' E.
- From the latter to position in lat 27° 00' N. long 51° 30' E.

Hence to a position approximately equal to that of main light vessel, hence in a southerly direction to include area where the pontoons will proceed when required for shipping purposes.

The Owners state that should any change of plan occur in the future they will keep us informed.
We trust this information will meet your requirements

We are,

Yours faithfully,

G. J. Barrett
The Surveyors.
