Dear Sir,

"AMBULOMBO"

F.
CFA/BJS

With reference to your Rpt. 8 No. 5971 on part Special Survey and alterations carried out on this ship between November and March last, your attention is drawn to the fact that, in accordance with Paragraphs 14(d) and 16(a) of the Instructions to Surveyors, Part 4, a report C.11(cont) should be prepared embodying all alterations affecting the conditions of Load Line assignment. I shall therefore be glad to receive this report as soon as possible.

I would also point out that I do not appear to have received a reply to my letter of the 24th November, 1961.

Yours faithfully,

pro Secretary

C. Ritchie, Esq.,
