NH/SO

Dear Sirs,

m.s. "AMBULOMBO".

I acknowledge your letter of the 8th April, and with regard thereto shall be glad if you will again communicate with the Owners and advise them that, in addition to the long overdue Donkey Boiler Survey, the Continuous Survey cycle of the machinery is considerably overdue, and that the present position is as follows:-

Items not seen for more than four years:-

Starboard main engine No.3,4,5 & 6  
crankpins and bearings.

Items not seen for more than five years:-

Port main engine No.8 cylinder, piston,  
rod, valves and gears, connecting rod,  
top end and guides.  
Port main engine No.3,4,5 & 6 crankpins  
and bearings.  
Port main engine No.5 journal and main  
bearing.  
Starboard main engine scavenge blower.  
Port and starboard intermediate  
shafting and bearings.

Items not seen for more than six years:-

Starboard main engine Nos.3,4,5, & 6  
journals and main bearings.

-2-

You should also advise the Owners that the case will be submitted to the Committee on the 14th May next when, in the absence of definite arrangements for all the outstanding survey matters to be dealt with, it is likely that the class will be deleted.

Yours faithfully,

Assistant Clerk to the  
Classification Committee.

The Surveyors,  
YOKOHAMA.
