Reference

21st April, 1965.

Dear Sir,

Floating Dock "Limbung" & Mv "Ambulombo".

After receipt of your letters dated 5th and 10th April inst. I have contacted the officials in question and have to inform you the followings :

- a. Floating Dock "Limbung".
actually is found that the above mentioned Floating Dock will be supervised by the Naval-base at this port. In accordance the regulations (for the armed forces in general) are the Owners not interested in classification matters (for maintenance work), so that at present I am still unable to get an opportunity for Survey, as requested.
- b. As stated by the local Agent (Charterers Agent Djakarta Lloyd), is the vessel now still in use as "Pilgrim-Ship" and nothing could be advised in connection with the Survey arrangements.

Yours faithfully,

The Surveyors,
YOKOHAMA.

R.L.SOEI.
