Dear Sirs,

Steamer "EMPIRE CELTIC"

Classn(S)
RNC

I acknowledge the receipt of your letter of the 1st instant, and in confirmation of my telephonic reply this afternoon I am pleased to inform you that the Committee will be agreeable to the Machinery Special Survey and the Screwshaft Survey being postponed until November, 1954, provided an opportunity is afforded one of the Society's Surveyors to make a General Examination of the machinery between now and May next, when the survey will become due.

As you may decide to have this General Examination made while the ship is at Hamburg, I am forwarding a copy of this communication to the Society's Surveyors at that port so that they may be aware of the circumstances, should you request them to make a General Examination of the machinery.

Yours faithfully,

c.c. Ham.
