Dear Sirs,

## Motorship "ARAMOANA"

I refer to the letter of the 3rd August sent to you by the Secretary at Glasgow, in which you were requested to arrange for this ship to be generally examined on arrival within her service area to enable the class to be assigned.

It is noted from your letter of the 2nd August and its enclosure that the Owners do not wish to retain class, but it is concluded that the General Examination will be held so that class can be assigned and classification certificates issued, but I shall be glad to learn the Owners' intentions so that the appropriate action may be taken in this Office in regard to non-continuance of class.

Yours faithfully,

Pro Clerk to the  
Classification Committee

The Surveyors,  
WELLINGTON
