General Observations, Opinion as to Class, Recommendation, &c.:—

State clearly whether any and, if so, what alteration is suggested to be made in the existing classification and notification of the vessel in the Register Book consequent upon this survey, thus, for example:— "to remain as now classified in the Register Book without fresh record of Survey," "to remain as classed and to have record of survey, 197," or "to remain as classed and to have record of survey, 197, and the notations of ss No. 1-97 and ptnD97, &c."

This ship was placed in dry dock, the bottom examined, cleaned and recoated & now appears to be in good condition, eligible to remain as classed with a fresh record of Survey on 4/98
