Dear Sir,

We beg to inform you the steamer "PHILADELPHIA" No. 27328 in the R.B. now owned by the New York Naples Steamship Co. is at present in our Port, we heard some repairs were being carried out to the boilers (renewing a number of plain tubes) on going aboard we were informed by the master that the vessel was surveyed at New York by the American Bureau and he was not aware that the vessel had our class as only American Bureau Certificates were kept on board.

We are, Dear Sir,

Yours faithfully,

The Surveyors to Lloyd's Register
