29th November, 1910.

Dear Sir,

ss. "Waratah"

Referring to your letter of the 17th May last, I should feel much obliged if your Committee would cause me to be supplied with the names of Lloyd's Surveyors under whose survey this vessel was built and the name of their member or other gentleman who can prove the departures from the 1907-8 spar deck rules which were made in the construction of the ship and the fact that they were sanctioned and approved of by Lloyd's Committee.

It will be necessary to serve summonses upon these gentlemen to attend the Inquiry to prove the particulars contained in your letter of the 17th May last.

I am,

Dear Sir,

Yours truly,

A. Ellis Cunliffe
