Dear Sir,

With reference to your letter of the 13th ulto and mine of the 20th ulto respecting the fee to be charged for the survey of the S.S. "FULLAGAR" during construction, Mr Campbell Holms had an interview with Sir George Carter on Saturday and Sir George feels that as the vessel has occasioned his firm considerable financial loss, he is not disposed to sanction any increase in the classification fees. Under the circumstances however he suggests that 50 guineas would not be inappropriate.

I am, Dear Sir,

Yours faithfully.

Secretary to the
Liverpool Committee.

MR. GEORGE T. CARTER
LONDON

Dear Sir,

With reference to your letter of the 15th ulto and

in reply to the letter of the 15th ulto respecting the fee to be charged for the

survey of the S.S. "WILMINGTON" under charter to Mr. George T. Carter

we have had an interview with Mr. George Carter on Saturday and Sir

George feels that as the vessel has been chartered his firm considers

it reasonable that he should be charged a fee of £100 in respect of the

classification fees. Under the circumstances however he suggests

that 50 guineas would not be inappropriate.

I am, Dear Sir,

Yours faithfully,

W. H. Carter
