317 Metropolitan Bldg.,
Vancouver. B.C.

Dear Mr.Scott,

Your letter of June-18th is duly received.
We do not want to go to any additional expense to get
the word "experimental" eliminated from the "Shean's"
rating, and therefore will leave the matter in abeyance
until 1933. Am writing to this effect to the
Quasi-Arc.Co.Ltd.,

With kindest regards.

Yours very truly,

BRITISH COLUMBIA CEMENT CO. LTD.
