18th July, 1930.

Dear Sir,

M.

I duly received your letter of the 25th ultimo enclosing copy of correspondence forwarded to you by Mr. A. Scott, the Society's Surveyor at Vancouver, regarding the electrically welded steamer "SHEAN" ex "CARIA" ex "FULLAGAR".

The contents of this correspondence have been very carefully noted, and the matter was brought before the General Committee at their Meeting yesterday when it was decided in all the circumstances that the notation "Experimental" must, for the present, be retained in the Society's Register Book.

I am, Dear Sir,

Yours faithfully,

Secretary.

James French, Esq.,

NEW YORK.
