Dear Mr. Fowling,

I regret I have not yet been able to get the letter respecting the bulkheads in the "AVENGER" from The Union S.S. Co. of New Zealand as promised in my letter of the 19th inst., Mr. Campbell, however, is travelling from Liverpool again during the weekend and I have an engagement with him for Monday morning, when I hope to send his letter on to you.

With kind regards,

Yours faithfully,

Geo. M. Shaw
