71, Fenchurch Street, E.C. 3.

18th September, 1935.

Dear Sir,

E.

Loeffler Boiler and Escher Wyss turbine
installation.

With reference to my letter of the 5th instant respecting the above installation, intended for the s.s. "CONTE ROSSO", I have to acquaint you it has now been ascertained from the current list of dually classed vessels that this ship does not hold the dual class. In these circumstances the terms of the Accord will not apply, and the Registro Italiano are free to make their own arrangements regarding surveys.

I shall be glad if you will be guided accordingly.

I am, Dear Sir,

Yours faithfully,

Secretary.

W.G. Vallis, Esq.,

WINTERTHUR.
