19th September, 1935.

Dear Sir,

E.

I duly received your letter of the 12th instant respecting the s.s. "CONTE ROSSO" and may say that your remarks have been noted.

It has now been ascertained from the current list of dually classed vessels that this ship does not hold the dual class. In these circumstances the terms of the Accord will not apply, and the Registro Italiano are free to make their own arrangements regarding surveys.

Thanking you for your attention,

I am, Dear Sir,

Yours faithfully,

copy TRI

Secretary.
