Loeffler-Escher-Wyss HP Installation

The following is a translation of a letter received today from Messrs. Cantieri Riuniti dell'Adriatico, requesting the joint presence of the Surveyors of the three Classification Societies at Witkowitz for a preliminary conference regarding the construction of the Loeffler Boiler:

" Messrs. Witkowitz write to us that they wish to invite  
" the representatives of the three classification  
" Societies to a preliminary conference to be held at  
" Witkowitz at the beginning of September.  
" Kindly inform us of the name and residence of your  
" representative. "

It is presumed that the Vienna Surveyors will be instructed to represent this Society and we shall be glad if you could kindly cable this office the Committee's decision.

I am, Dear Sir,

Yours faithfully,

For the Surveyors.

The Secretary,  
LONDON.
