Dear Sir,

Loeffler Boiler and Escher Wyss turbine
installation.

E.

I duly received your letter of the 31st ultimo respecting two primary turbines to be supplied by Messrs. Escher Wyss & Co., Zurich, and intended for the "CONTE ROSSO", the contents of which have been noted, and with regard thereto I have to inform you that plans relating to the Escher Wyss turbines for the above installation have not yet been submitted to this Office for consideration.

I shall be glad if you will acquaint the above Firm of this fact and arrange for the necessary plans to be submitted, preferably through Messrs. Cantieri Riuniti dell' Adriatico and the Trieste Surveyors.

With reference to the remarks contained in the last paragraph of your letter regarding the Germanischer Lloyd Surveyor, I may say that Mr. Ormiston, the Principal Surveyor for Italy, is being asked to take this matter up with the Registro Italiano.

In the meantime, you should examine such parts as are presented to you for inspection without prejudice.

W.G. Vallis, Esq.,

WINTERTHUR.

I am, Dear Sir,
Yours faithfully,
