ENCLOSURE.

5th September, 1935.

Dear Sirs,

s.s. "CONTE ROSSO"  
Loeffler Boiler and Escher Wyss turbine  
installation.

-----

E.

I have to acquaint you I have been informed by the Winterthur Surveyor that the forgings for the Escher Wyss turbines for the above installation are already in the Works of Messrs. Escher Wyss, and, in view of the fact that plans of the turbines have not yet been submitted to this Office for consideration and that the work is proceeding, these plans should be forwarded at an early date, as already requested in my letters of the 5th April and 14th August last.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

TRIESTE.

P.S. I think it well to enclose a copy of a letter which has to-day been addressed to the Winterthur Surveyor on the subject.
