27th August, 1935.

Dear Sirs,

E.

I am favoured with your letter of the 26th instant enclosing a translated copy of one received from The Vitcovice Mines Steel & Ironworks Corporation regarding inspection of the Plant at Caroline Pit and Trebovice Power Stations. Arrangements are accordingly being made for the Society's Surveyors at Vienna to report on these boilers and I am much obliged to you for your kind attention in this matter.

I am, Dear Sirs,

Yours faithfully,

Secretary.
