Dear Sirs,

Loeffler Boiler Installation,
s.s. "CONTE ROSSO".

E.

I am favoured with your letter of the 31st ultimo respecting the above installation, and, in reply to your enquiry, I have to inform you that it will not be a requirement of this Society that spare gear for the Loeffler Boiler be carried, as this machinery is regarded as auxiliary to the main machinery.

I may add that Messrs. Escher Wyss have been similarly advised.

I am, Dear Sirs,

Yours faithfully,

Secretary.
