3rd May, 1955.

Dear Sir,

S)  
A letter has I duly received your letter of the 2nd instant regarding the case of the "BRIARFIELD" from which it is noted that because of her age the ship will be disposed of before the Special Survey becomes due in December next.

As regards drydocking, however, the Committee have instructed me to say that as she is now nearly 35 years old and is employed in the coastal trade they consider she should be drydocked not later than the end of June for retention of class seeing that she has not been so examined since October 1953.

Yours faithfully,

The Secretary,  
LIVERPOOL.

Clerk to the  
Classification Committee
