Dear Sirs,

Dear Sir,

I duly received your letter of the 22nd instant respecting your first entry reports Nos. 41263 and 41284 on the steam trawlers "GALLEON" and "GEORGE AUBINGER" respectively, and note from the correspondence which you have forwarded that the engine numbers of these vessels are wrongly given on the reports, Messrs. Amos & Smith, Ltd., having reversed the orders at the request of the Owners.

In compliance with your request I return herewith the first entry reports on the machinery and boilers of the vessels, in order that you may make the necessary corrections thereon as to dates and engine numbers.

It is noted that both engines and boilers are duplicates, and that no other corrections appear necessary.

I also return herewith duly signed the amended boiler test certificates, and note that the originals have been cancelled.

Should any future similar cases arise, you should arrange with the Builders to be kept fully advised of changes of this kind.

The Surveyors,

HULL

I am, Dear Sirs,
Yours faithfully,

pro Secretary
