HULL.

Sirs,

s.t. "GALLEON" and s.t. "GEORGE AUNGER",

With regard to the above two vessels, will you please
that the machinery fitted on the s.t. "Galleon, Ship No.
was our Contract 615 and the Machinery fitted on the s.t.
"George Aunger", Ship No. 554, was our Contract 622.

The Engine Contracts were originally intended to be
d in the ships in the reverse order, but this final arrange-
was made at the request of the Owners of the s.t. "Galleon",
s Perihelion Steam Fishing Co. Ltd.

We shall be glad if you will amend the Classification
ificates accordingly.

Yours faithfully,
For AMOS & SMITH LTD.
