

24th February, 1953.

28, 33. As recommended.

"ANDREA DORIA". This vessel has today been classed ~~B100A1~~  
er with the appropriate notations as recommended by you. I shall  
d if you will state whether the shell plating in Q and R strakes  
duced in normal thickness on account of being special quality steel,  
the same time whether the steel complies with Section 7, Chapter  
he Rules.
