Dear Sir,

S. With reference to my letter of yesterday's date respecting the new motorvessel "BRITISH FAITH", (your first entry report No. 8626), I have to inform you that I am now in receipt of a cablegram from the Copenhagen Surveyors stating that the Engine Makers have no objection to the machinery certificate being handed to the Shipbuilders, and I accordingly enclose herewith the first entry certificates of the hull and machinery of this vessel in duplicate, which may be handed over on payment of the cost of the duplicates, viz:- 26/-, which amount should be credited to the London Office, and on the understanding that the matters referred to in my letter of yesterday are in order.

I am, Dear Sir,
Yours faithfully,

pro Secretary.

Mr. H. Y. Bell,
DUNDEE.
