5th February 1937.

Dear Mr. Kimber,

With reference to your report No.472 on  
Coltman's Boiler No.6166 for Gotaverken's Yard No.510,  
you do not appear to have forwarded any steel invoices  
in respect of the material used in the construction of  
this boiler, and I should be much obliged if you would  
kindly send these on for attaching to your report.

With kind regards,

Yours sincerely,

W. Kimber, Esq.,

SHEFFIELD.
