Dear Mr. Mayne,

I am much obliged for your letter regarding classification certificates of the motor ship "LA MAREA" These certificates have been handed to Messrs Cammell Laird & Co. Ltd to-day, and the charge of £1:6:0 for duplicates has been paid. At the same time I have had the promise of a cheque for the fees by the beginning of the week.

I may say that the Builders very much appreciate the courtesy extended to them in the handing over of the certificates without delay.

With kind regards

Yours faithfully.
