Dear Sir,

In reply to London letter "g" respecting Glasgow Report No. 41433 on the steamer "ARCLIGHT", I beg to state that a web frame is fitted on frame No. 86 as approved. With reference to the pumping, two 4" hand pumps are fitted in the hold and one 3" hand pump is fitted to the fore peak flat, as shown on the approved plan. The margin vertical angles to the floors are 3" x 3" x .3" as approved.

I am, Dear Sir,

Yours faithfully,

James R Clark

The Secretary,
GLASGOW.
