7th November, 1921.

Dear Sir,

S. With reference to Glasgow report No.41433 on the steamer "ARCLIGHT", I have to acquaint you that it is concluded that a web frame is fitted on frame No.86 as approved, that two 4" hand pumps are fitted and that the size of the margin angle to the floors is as approved and not as stated, but I shall be much obliged if you will be so good as to ascertain from the Surveyors and let me know whether this is so.

I am, Dear Sir,

Yours faithfully,

Assistant to the Secretary.

The Secretary,

GLASGOW.
