LLOYD'S REGISTER OF SHIPPING AUG 1950
united with
The British Corporation Register
55 FAWCETT ST., SUNDERLAND

24th July, 1950.

Dear Sirs,

M/V "ALTAIR"
Wm. Gray & Co. Ltd., Yard No. 1236

We confirm having sent you the following cablegram dated the 22nd instant -

"Grays 1236 ALTAIR arriving Rotterdam Saturday
22nd electrical installation to complete
First Entry letter following".

The above vessel left West Hartlepool on the 21st instant for Rotterdam and we enclose herewith a list of outstanding work which is to be completed in Holland.

In addition to the above work an isolating switch should be fitted to each of the 1000 watt heaters as the switches now fitted have no "off" position.

On completion the insulation resistance of all circuits should be measured.

Yours faithfully,
THE SURVEYORS,
PER:

The Surveyors,
ROTTERDAM.

Luella
