

"GULFWAX"

Refer cablegram received 8.4.54 seeking instructions regarding Owners' proposal to tow this tanker from Mobile with a cargo of scrap iron to Japan.

The ship is over 32 years old.

On 12.3.54 the Committee assigned the Notation "To be **Broken up**".

Since therefore the ship is not now classed with the Society, IT IS SUBMITTED for consideration whether the New York Surveyors might be informed that in view of this no action be taken with regard to the Owners' proposal.
