

3rd November, 1949.

Dear Mr. Moffatt,

The request contained in your letter of yesterday for the plans of the "HELLENIC PRINCE" is not so simple as at first thought.

Our records show that the first entry report and plan of midship section was returned to you with our official letter of the 29th August.

We thought perhaps you might have sent them up with your freeboard assignment but although we have rescued the two enclosed plans from the freeboard papers, we can only point out that these plans bear no official approval stamp.

I hope, however, they will meet your purpose and perhaps you will let me have a line if you can throw any light on the matter.

With kindest regards,
Yours sincerely,

C. Moffatt, Esq.,
BARRY.
