

12th October, 1949.

Dear Sirs,

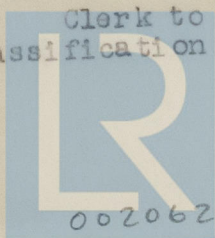

With reference to previous correspondence respecting the steamer "HELLENIC PRINCE", I have to inform you that Mr. Kyriakides, representing the Owners, has telephoned stating that the vessel is to leave your port on Monday next, and he desires an interim certificate to be issued by you pending the issue of the official Classification Certificates.

I shall therefore be glad if you will give this matter your attention.

Yours faithfully,

The Surveyors,
BARRY.

Clerk to the
Classification Committee.
