LLOYD'S REGISTER OF SHIPPING,
BELFAST.

The Secretary,
LONDON.

Dear Sir,

It has been requested by the representative of Messrs. John Kelly, Ltd., that the certificates for freeboard for their vessels should be obtained in readiness for issue, as it is intended that the marking will be done and the requirements carried out at this port.

It appears that certificates have not yet been issued for the list of ships given below on which the surveys have been held, and it is suggested that the certificates might be forwarded here, at your convenience, for issue as necessary.
